From Principal's Desk

Dear Parents, Students, and Staff,

August is a month of new beginnings and renewed energy. With the academic year well underway, I am delighted to see our students and teachers working with enthusiasm, discipline, and creativity. The spirit of learning that fills our classrooms and corridors is truly inspiring.

This month also holds a special place in our hearts as we celebrate Independence Day, a reminder of the values of freedom, responsibility, and unity. Let us take this opportunity to instil in our children a sense of pride in our nation and a commitment to serve society with sincerity and compassion.

GK QUIZ

General Knowledge Quiz was organised in the school. Students enthusiastically participated in various rounds testing their awareness of current affairs, science, and history. The activity helped sharpen quick thinking and team spirit among participants.

Independence day celebration

The school celebrated the 78th Independence Day. The programme began with the flag hoisting followed by the national anthem and cultural performances including patriotic songs, dances, and speeches. The celebration instilled a sense of pride and respect for the nation in students.

Activity- Action words

An interactive "Action Words" activity was conducted for the junior classes. Children identified, acted out, and matched verbs to pictures, making learning English vocabulary fun and memorable. The session enhanced their understanding of verbs through play-based learning.

Carnival

Rain drops, green hops

The school hosted a lively Carnival. Colourful stalls, games and music created a festive atmosphere. Parents and students enjoyed the day while also contributing to a charity drive organised alongside.

Green day celebration

Green Day was celebrated to create awareness about environmental conservation. Students and teachers dressed in green. The event reinforced the importance of keeping our surroundings clean and green.

Rakhi activity

Students actively participated and prepared beautiful handmade rakhis using colourful threads, beads, and decorative materials. The activity highlighted the spirit of love and bonding between brothers and sisters and encouraged creativity and traditional values among students.

House model making

activity

Students used cardboard, chart paper, and recyclable materials to design miniature houses. The activity aimed at developing artistic skills, environmental awareness, and teamwork.

Inter- Ganga Story Weaving Competition

2nd

Pulkit- Class I
Akshita- Class III
Priyansh- Class IV
Arpana - Class V

We sincerely thank our Principal, staff, students and parents for their support in making this newsletter possible. Your enthusiasm and contributions help us showcase the best of our school community.
