

OCTOBER 2025

THE MORNING SPARKLERS

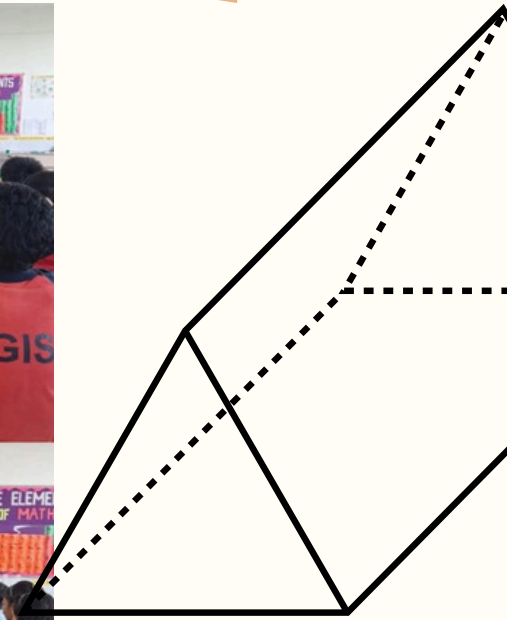

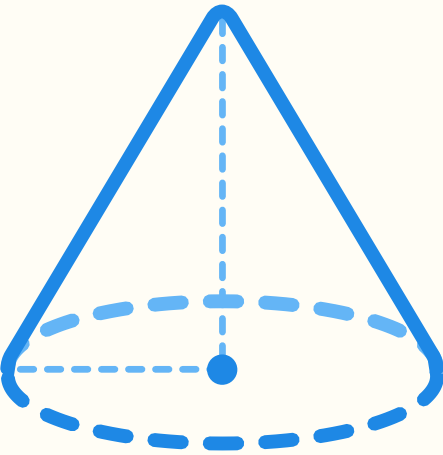

Activity

Measurement of temperature of body and hot,cold ,normal water.

Students actively participated in a “Measurement of Body Temperature” activity, learning to use thermometers correctly and understand normal body temperature through hands-on practice.

Students enjoyed a “Perimeter of Figures” activity, where they measured and calculated the boundaries of different shapes, enhancing their understanding of geometry through practical learning.

Mehndi Celebration

The school organized a joyful Mehndi Celebration for Parents, where mothers enthusiastically took part in applying beautiful mehndi designs. The event created a vibrant festive atmosphere, strengthening the bond between school and parents through shared cultural joy.

Inter Ganga Nukkad Natak Competition

Students of our school achieved 1st place in the Inter-School Nukkad Natak Competition. Their impactful presentation and expressive performances impressed the judges and audience alike.

Parent Teacher Meeting

A Parent-Teacher Meeting was organized to discuss the academic progress and overall development of students. It served as a valuable platform for parents and teachers to collaborate and work together for the betterment of the children.
