

THE MORNING SPARKLERS

July Newsletter

Let's ignite our sense of adventure and discover new horizons.

Summer Safety Tips

As we explore and enjoy the summer, let's remember to stay safe. Keep in mind the tips for sun protection, water safety, and staying healthy. Let's have a fun and safe summer!

Our school continues to provide students with meaningful opportunities to learn, participate, explore, and excel. The various activities and celebrations have encouraged our students to step forward with confidence and showcase their talents.

From the Investiture Ceremony and sports achievements to the Tree Plantation Drive, Kargil Vijay Diwas, Guru Purnima, Inter-Ganga Hindi Debate Competition, and Parent-Teacher Meeting, each event has contributed to the development of leadership, patriotism, communication skills, environmental awareness, and strong values.

I am proud of our students for their enthusiasm, dedication, and active participation. May they continue to dream big, embrace every opportunity, and grow into confident and responsible individuals.

Regards
Ms Pankaj Rani
Principal

Glimpses of PTM

A successful Parent-Teacher Meeting was organised to discuss students' academic progress, participation, behaviour, and areas for improvement. The interaction strengthened the partnership between parents and teachers and helped identify effective ways to support students' overall development.

“Together, we nurture, guide and inspire every child to succeed.”

Investiture Ceremony

The Investiture Ceremony was organised with great enthusiasm and dignity. The newly elected student leaders were formally entrusted with their responsibilities through the badge-pinning and oath-taking ceremony. The event inspired students to embrace leadership, responsibility, discipline, and teamwork. “Leadership is not about power; it is about responsibility and service.”

Tree Plantation Drive

A Tree Plantation Drive was organised to promote environmental awareness among students. Students actively participated by planting saplings and learning the importance of protecting nature. The initiative encouraged them to become responsible and eco-conscious citizens.

“Plant a tree today, nurture a greener tomorrow.”

Inter Ganga Hindi Debate Competition

An illustration of three students participating in a debate competition. On the left, a boy in a blue hoodie is speaking into a microphone at a podium. In the center, a girl in a blue shirt and black skirt is holding a piece of paper. On the right, another girl in a white shirt and blue skirt is gesturing with her hand while speaking into a microphone at a podium.

The Inter-Ganga Hindi Debate Competition was organised to develop students' communication, confidence, and critical-thinking skills. Students presented their views with clarity and conviction, demonstrating excellent oratory and debating abilities. The event provided a meaningful platform for students to express their ideas and engage in constructive discussion.

Kargil Vijay Diwas Celebration

Kargil Vijay Diwas was commemorated with great pride and respect to honour the bravery and sacrifice of our soldiers. Students participated in patriotic activities and paid tribute to the heroes who safeguarded the nation.

“Remembering our heroes, celebrating their courage.”

Celebration of Guru Purnima

Guru Purnima was celebrated with reverence and enthusiasm to honour the teachers and mentors who guide and inspire us. Students expressed their gratitude through meaningful activities and performances, highlighting the timeless bond between a guru and a learner.

“A good teacher inspires, guides and transforms lives.”

AMAZING FACTS FOR STUDENTS

1. Honey never spoils.

Archaeologists have found pots of honey in ancient tombs that are over 3000 years old and still edible!

2. A day on Venus is longer than a year on Venus.

It takes about 243 Earth days to rotate once, but only 225 days to go around the Sun!

3. Octopuses have three hearts.

Two pump blood to the gills, and one pumps it to the rest of the body!

4. Bananas are berries, but strawberries are not!

Botanically, bananas are berries, but strawberries are not.

5. Your brain uses about 20% of your body's energy.

Even when you are resting, your brain is always active!

6. The Eiffel Tower can grow taller in summer.

It can grow about 15 cm taller due to the expansion of iron in heat!

7. Sharks existed before trees!

Sharks have been around for more than 400 million years—longer than trees!

8. A group of flamingos is called a 'flamboyance'.

Isn't that a fabulous name for such beautiful birds?

9. You can't hum while holding your nose!

Try it! Your nasal passages play a role in humming.

10. The Earth is the only planet not named after a god.

All the other planets in our solar system are named after Roman gods and goddesses.

VOTE of THANKS

THANK YOU

to our students for their enthusiasm and participation.

THANK YOU

to our parents for their constant support and encouragement.

THANK YOU

to all our well-wishers and guests for gracing the occasion.

THANK YOU

to everyone who worked behind the scenes to make this event a success.

We truly appreciate
your time, support and kindness.

Thank You!

Together, we create moments that matter. ♥

Your presence
made a difference
and turned this
event into a
beautiful memory.
