CLASS-1 YEARLY PLANNER
SUBJECT : GENERAL KNOWLEDGE (MIND TREE)

MONTH	SYLLABUS	ACTIVITY
APRIL	Chapter-1 Indian states and capitals Chapter 8 Float or sink	Float and Sink Activity Float or Sink Adventure Activity Description (Short): The teacher will provide a tub of water and a variety of objects such as a leaf, stone, coin, sponge, plastic bottle cap, and pencil. Students will predict whether each object will float or sink and then test their predictions by placing the objects in water. After observing the results, children will discuss their findings and sort the objects into "Float" and "Sink" groups. This hands-on activity encourages curiosity, observation, and scientific thinking.
MAY	Chapter 6 Flowers Chapter 7 Games we play Current Affairs	Flower Sorting Fun Activity Description (Short): The teacher will display pictures or real flowers of different colors and sizes. Students will observe the flowers and sort them into groups based on their color, size, or type. Children will then count the flowers in each group and share their observations with the class. This hands-on activity develops observation, classification, and counting skills while helping children learn about different flowers.
	PERIODICASSESSMENT-I	
JUNE	SUMMER BREAK	
JULY	Chapter 2 Famous leaders of India Chapter 3 Countries and their flags Chapter 4 World famous monuments Current Affairs	Flags Around the World Activity Description (Short): Students will explore different countries and their national flags through a fun matching and identification activity. The teacher will show pictures of flags and introduce the names of the corresponding countries. Children will match flag cards with country

		name cards and share any interesting facts they know. This activity helps develop global awareness, observation skills, and recognition of national symbols
AUGUST	Chapter 5 Friends with feathers Chapter 9 Reading time Current Affairs	Reading Time Fun Activity Description (Short): The teacher will read a short story or picture book aloud to the class, using expressions and actions to make the story engaging. Students will listen carefully, observe the pictures, and answer simple questions about the characters, events, and moral of the story. Children may also identify new words and share their favorite part of the story. This activity helps develop listening, comprehension, vocabulary, and a love for reading
SEPTEMBER	TERM-I EXAMINATION	
OCTOBER	Chapter 10 Monuments Chapter 11 Languages of the world Chapter 15 Taste buds Current Affairs	Taste Buds Activity Provide small samples of sweet, sour, salty, and bitter foods. Children taste each sample, identify the taste, and sort the foods into the correct taste category.
NOVEMBER	Chapter 12 Exotic fruits Chapter 13 World of birds Chapter 14 Sports stars Current Affairs	Exotic Fruits Activity Show pictures or real exotic fruits. Children observe their colors, shapes, and names, then match pictures with names and share which fruit they would like to taste.
DECEMBER	Chapter 16 Rhyme time Chapter 17 Opposite words Chapter 18 Cartoon films Current Affairs	Exotic Fruits Activity Show pictures or real exotic fruits. Children observe their colors, shapes, and names, then match pictures with names and share which fruit they would like to taste.
PERIODIC ASSESSMENT-II		
JANUARY	Chapter 19 Musical instruments REVISION+ ASSESSMENT	Musical Instruments Activity (Grade 1): Show pictures or real musical instruments. Children identify and name them, listen to their sounds,

		and match each instrument with its sound. Students share their favorite instrument.
